Northland Press Advertising Policy:

Our policy is simple: If you charge, we charge. We regularly receive requests for free publicity, including items with the words "Press Release" or "News Release" in large print across the top followed by a description promoting products or services of the individual, agency, organization or business that sent the request. If you charge for something, it is generally to cover expenses, and one of those expenses needs to be promotion (i.e. advertising). We want your news. We want your advertising. Let the Northland Press assist you in presenting both to our readers.
